Business Meeting:

Feedback on Program Plan

The Mosaic Workshop in January is too expensive, People who want to participate should pay for the workshop. The workshop is a repeat or too similar to the two-color tuck workshop by Carol Scott. If the \$600 covers the presenter and Lodge rental, then it's reasonable.

Anita is willing to teach Double Bed Jacquard, if there is interest. Anne mentioned that a double bed color changer would be needed either the 1000 KRC or the 840. There is an 840 available on Machine Knitting: Deal or No Deal.

Wendy suggested a Garment Designer workshop after July.

What about forming study groups for DAK and Garment Designer? This could be done via ZOOM.
